

Hello,

The **Gate-Gateway to Independence** would be delighted to count you or your business as a champion in sustaining the Gate's day program for adults with disabilities in Blount County.

Your support through the sponsorship of our 16th annual DessertFest on March 2 ensures that each of our 52 adult participants continues to pursue their unique independence at the Gate!

You will be directly responsible for providing many enduring friendships and stimulating the countless opportunities that the Gate's day program provides to those in our community who are often left isolated from their peers during their adult years. The laughter surrounding the songs shared, card games played, and crafts created are priceless to each participant and their family, and your gift ensures that the stability of our future for each one of them.

To make your contribution please use the form below and/or contact us via any of the methods listed below. All donations are tax-deductible as allowed by law.

Regardless, we look forward to you joining us on March 2, 2019 at the Alcoa High School student Commons Area from 11:30 – 1:30pm for DessertFest 2019. You can enjoy an array of scrumptious desserts, breakfast foods and lively music from Pistol Creek Catch of the Day. Hang around and enjoy a special musical number with the GateCrashers... I promise it is an event you won't forget!

Thank you in advance for your consideration.

Grace & Peace,

Dawn Evans

Board of Directors, President (and Gate Participant Parent)
